Map to Camp Tanager

CAMP TANAGER was established in 1926 so children could participate in a summer camp experience regardless of financial circumstances. **CAMP TANAGER** is administered by Tanager Place and is supervised by a Camp Director. The staff/camper ratio (1:6) permits a high degree of interaction between camp counselors and campers. **NOTE: Camp Tanager employs college age students as camp counselors. Camp Tanager is a recreational opportunity, not a treatment facility.**

THERE IS NO CHARGE to families of campers or referring agencies. Campers are selected based on financial need. Camp Tanager relies solely on donations from the community to provide camp activities.

ACTIVITIES - Campers may participate in a wide variety of traditional camping activities including; swimming, singing camp songs, sports, games, educational speakers, hiking, physical activities, arts, crafts, archery, and nature study. Campers will have the opportunity to make new friends and enjoy outdoor fun, while developing both their physical and social skills.
